

**What Must One
Believe to be Saved?**

Three Classifications of Doctrine

- 1. Essential Doctrines** – One must believe all of these in order to be saved (and combine this belief with trust, humility, and repentance)
- 2. Core Doctrines** – One can reject these and still be saved, but these are significant enough to divide over
- 3. Secondary Doctrines** – One can reject these and still be saved, and believers should never break fellowship over these

How to Classify?

- Essential doctrines must be determined exegetically
 - Scripture explicitly and clearly states the necessity of belief in these doctrines for salvation
 - Can be stated in one of two ways:
 1. People must believe this doctrine to be saved
 2. Anyone who does not believe this doctrine and / or rejects this doctrine is condemned

How to Classify?

- **Core doctrines** are either...
 - Related so closely to one or more essential doctrines that rejection would be grounds for questioning whether the person truly understands the essentials (e.g. omniscience and omnipotence)
 - OR necessary for the appropriate functioning of the individual or church for the glory of God (e.g. church government, election, etc.)

How to Classify?

- **Secondary doctrines** are...
 - Not closely related to one or more essential doctrines (e.g. viewpoint of Romans 7, whether New Testament saints are commanded to tithe, etc.)
 - Do not prevent the individual or church from the appropriate functioning for the glory of God (e.g. the timing of the rapture)

2. **Man** – Sinful, condemned

■ God is Holy

■ Man is Condemned

Essential #4: Grace

■ No Reliance on Works

■ Repentance

- **Luke 13:3** I tell you, no, but unless you repent, you will all likewise perish.
